AFTER

Dear Law of Attraction Junkie,

What if:

... Putting out your wish list to the universe was as easy as ordering dessert at your favorite restaurant?

... And you didn't have to meditate 10 hours a day to manifest what you've asked for?

... Or think ONLY positive thoughts and affirm "I'm so rich and happy" in the mirror each morning?

... Instead you could simplify the whole process and effortlessly become a magnet for what you want?

... And best of all, you could make this transformation happen FAST.

Great news...you can!

I know 'cause I've done it.

And I'm far from perfect.

HERE'S HOW TO DO THIS IN YOUR BIZ

1. Target other people's audiences only - this can be an individual or a book like the secret etc.
2. Aim for a larger audience - 1 million
3. Select only on desktop and mobile newsfeed
4. Keep your lines short. Make sure there are spaces in between each one of your lines.
5. Include the link to the landing page at least twice in the ad copy
6. Address your target client by name. Ie: ATTN: health coaches. Dear LOA junkie
7. Take a contrary stance
8. What are they sceptical about? Address that in the ad copy
9. Why would they object to doing what you're asking in the ad? Address that in the copy
10. Give super clear and precise directions. Like you would to a 5 year old.

COPY TIPS - answer the following as your client anytime you need to write copy

I want...

I don't want...

I think...

I feel...
